DATE

All data submitted via the tpsportal.co.nz and tenant.co.nz websites are treated as personal information. The data will only be used for the lawful purposes outlined in the privacy consent on the application, as well as the privacy policy on tenancy.co.nz and tenant.co.nz.

The data submitted is stored on a secure, dedicated server.

All protocols, both physical and digital, are compliant under the Privacy Act 1993.

Personal information will not be sold, or sent to marketers or debt collectors as a direct result of a tenant applying for a tenancy.

Disclaimer: This certificate is not a government issued certificate and applies only to the usage and protection and privacy of data submitted by a tenant online via the stated website. For more information visit www.tenancy.co.nz/datasecurity.
